Subject: Fixation of B.Twill jute bags prices – timelines regarding

This is to inform that Office of the Jute Commissioner issues the maximum price of B.Twill jute bags in terms of clause 3(6) of Jute and Jute Textiles Control Order, 2016. The fixation of B.Twill jute prices requires inputs on weighted average cost of raw jute, for which the jute mills have been asked to submit the details of Purchase Order and Mill Receipt. The o/o Jute Commissioner vide letter No Jute(T)-6/1/487/26-I(E) dated 7th July 2026 has directed the jute mills to upload on a daily basis the details of Rukka/Purchase Orders and Mill Receipt in the module on Jute SMART portal.

2. The notice further states that monthly Raw Jute Return must be submitted by 3rd day of the next month e.g. monthly return of July-2026 must be submitted by 3rd August-2026.

3. However, it has been observed that many jute mills didn't submit the returns in time which had delayed the notification of the maximum price of B.Twill jute bags. It is reiterated that o/o Jute Commissioner shall publish the price of jute bags by 10th of each month provided that the requisite data is submitted within the timelines given in the notification.

4. It is reiterated that the jute mills adhere to the timelines given in the notification dated 7th July 2026. Further, if any jute mill doesn't submit the monthly raw jute return within given timelines, **it shall not be considered for allocation in the month** in which the deadline is not adhered. No communication shall be entertained in this regard. Further, it shall be without prejudice to any action against the jute mill under the Essential Commodities Act, 1955.

This issues with the approval of Jute Commissioner.
